

StorageController::
printDirectory

```
graph LR; A[StorageController::printDirectory] --> B[StorageController::ls]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'StorageController::printDirectory'. The right box is white with a black border and contains the text 'StorageController::ls'. A blue arrow points from the right side of the gray box to the left side of the white box.

StorageController::ls
