

NetworkManager::process
_local_packets

```
graph LR; A[NetworkManager::process_local_packets] --> B[CommandHandler::addCommand]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'NetworkManager::process' on the top line and '_local_packets' on the bottom line. The right box is white with a black border and contains the text 'CommandHandler::addCommand'. A dark blue arrow points from the right side of the left box to the left side of the right box.

CommandHandler::addCommand
